

EHCP Evidence Builder

A limited excerpt from the EHCP Evidence Builder Workbook & Templates, for parents, carers and SEND advocates.

4. Include the child and parent voice

Capture strengths, preferences, worries and priorities in accessible language. Use the checks below as prompts, then adapt them to the service, person and current local procedure.

Review checks - selected prompts

Check	Evidence / location	Action / owner
Offer more than one communication method		
Record the child or young person's own words where possible		
Distinguish parent view from professional evidence		

Limited excerpt from the paid resource. Some content and rows are omitted; this is not the complete editable toolkit.
